

Clarification to ITT 1.1

Kongens Lyngby, 10 Apr 2017

To: **All Potential Tenderers**

Subject: Clarification to Swarm DISC ITT 1.1

To whom it may concern.

Swarm DISC has received the following question related to SD-ITT-1.1:

Question 1 – draft Contract:

“I took a look at the draft subcontract, and it appears to have a number of clauses that we would have to negotiate, particularly the indemnification language/governing law items in sections 6 and 7. Will this subcontract be open to negotiation, or are these clauses iron-clad?”

Clarification:

As indicated in the [Proposal Template](#), section 6.1, the Tenderer is welcome to document and justify modifications or amendments to the draft subcontract – and as such the subcontract may be open to negotiation where justified.

Please observe however in the [Special Conditions of Tender](#) section 5.7.1, and as stated in Annex 1, that such modifications must be justified or may affect evaluation of the Tender.
