

# Clarification for ITT 7.3

---

Kongens Lyngby, 9 February 2026

To: **All Potential Tenderers**

Subject: **Clarification for Swarm DISC ITT 7.3**

To whom it may concern

## **Information on access to simulated SMILE data**

The SMILE mission team has kindly offered to share with potential proposers the SXI test data and templates for the X-ray imager instrument. The test data and templates are only to be used for the purpose of submitting a proposal for the ITT 7.3 and potentially developing the project if awarded funding. The test data and templates may not be used for any other purpose. Please note that the test data and templates may not represent the final product. All forms feedback to the instrument PI, Steven Sembay, will be appreciated.

The test data and templates can be requested by email to the Swarm DISC project office.

Questions must be submitted 10 working days before this new deadline.

Sincerely,

Klaus Nielsen  
New Procurements Manager
